University does not have any provisions for internal test in yearly system which is followed in the college. However, the college conducts internal examination for the benefit of students on its own. Internal examination is conducted on Departmental level. The schedules of which is communicated to the students and faculty members time to time throughout the academic year by the Principal on recommendation of the IQAC. Each department prepares their own schedule for internal examination and the same is communicated to the students. Questions from within the syllabus are framed. Answer sheet is evaluated by the subject teacher and shown to the students. Students get their confusion cleared from the concerned teacher. However, in case of unsatisfaction students can go to the Head of the Department or any senior teacher which clears their confusion. Unsatisfied students can also visit the Principal with their grievances. Internal examination, being conducted at college level, hence, marks obtained are not added in students' results prepared by the university. At the end of each academic year, examinations are conducted by the affiliating University.
