Teachers and students are aware of the stated Programme and course outcomes of the Programmes offered by the institution.

The Program Outcomes (PO) and course Outcomes (CO) are for all the programs offered by the institution in accordance with "Lallit Naryana Mithila University, Darbhanga" guidelines. The outcomes of each program is intended to suit the present day needs of the student in terms of securing their path towards higher studies or a terminal degree guiding students career choices.

Learning outcomes' objectives which are an integral part of the college vision, mission and objectives are communicated to students, stakeholders, especially the students persuading towards skill oriented and value-based courses and classes through various means. Students are made aware of the specific course outcomes through orientation programme, classroom discussion, expert lectures and practical classes. Successful alumni students are also invited to interact with both budding students and teachers at specific events and meetings where they guide the students about their future plan. Thus, helping the students align better with the specified course outcomes and better career choices.
