

2.6.2 - Attainment of Programme outcomes and course outcomes are evaluated by the institution.

The Institution regularly evaluates the performance of students through various methods for measuring the attainment of each of the Program Outcomes and Course Outcomes. The programme outcomes are assessed with the help of course outcomes of the relevant programme through direct evaluation process which is done through University Examinations, internal and home assignments, unit tests, surprise tests, open book tests, etc. The Methods of measuring attainment:

1. Annual Examination: Lalit Narayan Mithila University, Darbhanga (Bihar) conducts examinations as per annual pattern through which the institution measures programme outcomes based on the course attainment level fixed by the programme. It is a direct evaluation process.

2. Internal and External Assessment: Internal assignments are given to the students which are mostly aligned with Programme Outcomes of the respective subject. External Assessment is evaluated by external experts for the Practical examinations, appointed by the University through Viva-Voce and practical files.

3. Institutional Examination and Tests: Students are assessed and evaluated throughout the year at institutional level through unit test, surprise test, terminal examination and the performance of the student is analyzed for assessing the attainment level of programme outcomes.

4. Feedback Evaluation: The Institution collects feedback from students, alumni, employers and parents which is an important method of measuring attainment with objectives of identifying the attainment level of students in terms of programme, subject, course and syllabus outcomes to understand the effect of teaching learning process.
