Jagdish Nandan College, Madhubani (Bihar) is dedicated to offer resourceful infrastructure for complete development of down-trodden students. It bestows the student available facilities for cultural activities, indoor and outdoor sports for their all-round development. The college has a well-equipped gymnasium for the physical and psychological growth of the students. Gymnasium is used by students during college hour. Both boys and girls use it at different times. The college has kabaddi team, cricket team, football team and many more which participate in different sports competition organized either by the University or under the directives of the University by different constituent colleges.
