It is effectively arrayed to focus on bringing quality improvements in the areas of: 1. Curricular Planning and Implementation 2. Teaching-Learning Processes 3. Research, Collaboration and Extension Activities 4. Academic infrastructural facilities 5. Student Support Activities and Student Progression 6. Internal Quality Assurance System 7. Institutional Values and Best Practices 8. Governance, Leadership and Management. At the beginning of the academic year, various bodies and committees that constitute the Organogram of the institution, chalk out the strategic plan of events and activities which will support the growth and development in these key areas and at the end of the year, a review is taken about implementation and the outcomes of the perspective plans.
