

JAGDISH NANDAN COLLEGE, MADHUBANI

Department of Zoology

Schedule of Online Classes Sem – II (2023-27)

(01/02/2024 to 29/02/2024)

TIME TABLE

	MJC	MIC	MDC/IDC
Date	Topic (2:00-3:00)	Topic (:03-4:00)	Topic (4:00-5:00)
01/02/2024	Introduction to Chordates	Introduction to Chordates	Introduction to Chordates
02/02/2024	General characteristics and classification (upto Order): Cephalochordata	General characteristics and classification (upto Order): Cephalochordata	General characteristics and classification (upto Order): Cephalochordata
03/02/2024	General characteristics and classification (upto Order): Urochordates	General characteristics and classification (upto Order): Urochordates	General characteristics and classification (upto Order): Urochordates
05/02/2024	General characteristics and classification (upto Order): Pisces	General characteristics and classification (upto Order): Pisces	General characteristics and classification (upto Order): Pisces
06/02/2024	General characteristics and classification (upto Order): Pisces	General characteristics and classification (upto Order): Pisces	General characteristics and classification (upto Order): Pisces
07/02/2024	General characteristics and classification (upto Order): Pisces	General characteristics and classification (upto Order): Pisces	General characteristics and classification (upto Order): Pisces
08/02/2024	General characteristics and classification (upto Order): Amphibia	General characteristics and classification (upto Order): Amphibia	General characteristics and classification (upto Order): Amphibia
09/02/2024	General characteristics and classification (upto Order): Amphibia	General characteristics and classification (upto Order): Amphibia	General characteristics and classification (upto Order): Amphibia
10/02/2024	General characteristics and classification (upto Order): Amphibia	General characteristics and classification (upto Order): Amphibia	General characteristics and classification (upto Order): Amphibia
12/02/2024	General characteristics and classification (upto Order): Reptilia	General characteristics and classification (upto Order): Reptilia	General characteristics and classification (upto Order): Reptilia
13/02/2024	General characteristics and classification (upto Order): Reptilia	General characteristics and classification (upto Order): Reptilia	General characteristics and classification (upto Order): Reptilia
15/02/2024	General characteristics and classification (upto Order): Aves	General characteristics and classification (upto Order): Aves	General characteristics and classification (upto Order): Aves
16/02/2024	General characteristics and classification (upto Order): Aves	General characteristics and classification (upto Order): Aves	General characteristics and classification (upto Order): Aves

On link will be shared ten⁽¹⁰⁾ minutes before the start of class in group.

31/01/2024

17/02/2024	General characteristics and classification (upto Order): Aves	General characteristics and classification (upto Order): Aves	General characteristics and classification (upto Order): Aves
19/02/2024	General characteristics and classification (upto Order): Mammalia	General characteristics and classification (upto Order): Mammalia	General characteristics and classification (upto Order): Mammalia
20/02/2024	General characteristics and classification (upto Order): Mammalia	General characteristics and classification (upto Order): Mammalia	General characteristics and classification (upto Order): Mammalia
21/02/2024	General characteristics and classification (upto Order): Mammalia	General characteristics and classification (upto Order): Mammalia	General characteristics and classification (upto Order): Mammalia
22/02/2024	General characteristics and classification (upto Order): Cyclostomes	General characteristics and classification (upto Order): Cyclostomes	General characteristics and classification (upto Order): Cyclostomes
23/02/2024	Origin and Evolution of Chordata	Amphioxus	Amphioxus
27/02/2024	Origin and Evolution of Chordata	Amphioxus	Amphioxus
28/02/2024	Herdmania(including retrogressive metamorphosis)	Amphioxus	Amphioxus
29/02/2024	Herdmania(including retrogressive metamorphosis)	Herdmania	Herdmania

Online link for class will be shared ten (10) minutes before the start of class.
